Question 1:

(Narrator): Listen to part of a radio program about animals.

(Woman): Different animals eat different things. Some animals hunt, while others eat plants. Animals that eat only plants need to eat a lot more than animals that hunt. Take cows, for example. They actually spend their whole day eating. They never stop! Even a young cow eats from 50 to 100 kilograms of fresh grass every day!

(Narrator): What does the speaker say about cows?

What does the speaker say about cows?

- A They have to eat a lot. *
- B They must hunt for their food.
- C They spend much time sleeping.
- D They are afraid of other animals.

An * indicates the correct answer.
